## BIOGRAPHY

---

Jackie is a photographer, filmmaker, and educator. Her work documents the relationships people have to their histories and the natural environment.

Jackie has worked as a teaching assistant and lead instructor at The International Center of Photography, the 92<sup>nd</sup> Street Y, PhotoManhattan, New York University, Amigos de las Américas, The Santa Fe Photographic Workshops, and Santa Fe Community College. She has taught arts and crafts, architectural history, filmmaking, black and white darkroom photography, and digital photography to youth and adults. She also has experience teaching photography as a tool for empowerment and teaching in Spanish.

Jackie graduated from New York University's Tisch School of the Arts in 2009 with a BFA in Photography & Imaging. She lives and works in Santa Fe, NM.
